INDEPENDENT AUDITOR'S REPORT

Honorable Frank J. Mautino Auditor General State of Illinois

Report on the Audit of the Financial Statements

Opinions

As Special Assistant Auditors for the Auditor General, we have audited the cash basis financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Champaign and Ford Counties Regional Office of Education No. 9, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Champaign and Ford Counties Regional Office of Education No. 9's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective cash basis financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Champaign and Ford Counties Regional Office of Education No. 9, as of June 30, 2023, and the respective changes in the cash basis financial position and, where applicable, cash flows thereof for the year then ended in accordance with cash basis of accounting described in Note 1.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Champaign and Ford Counties Regional Office of Education No. 9, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter-Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting as described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, not for the purpose of expressing an opinion on the effectiveness of the Champaign and Ford Counties Regional Office of Education No. 9's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

• conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Regional Office of Education No. 9's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements as a whole that collectively comprise the Champaign and Ford Counties Regional Office of Education No. 9's basic financial statements. The combining schedules of accounts, the budgetary comparison schedules, the combining fund financial statements, and the Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the cash basis combining schedules of accounts, the budgetary comparison schedules, the combining fund financial statements, and the Schedule of Expenditures of Federal Awards, as required by the Uniform Guidance are fairly stated, in all material respects, in relation to the basic financial statements as a whole on the cash basis of accounting described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 11, 2024, on our consideration of the Champaign and Ford Counties Regional Office of Education No. 9's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Champaign and Ford Counties Regional Office of Education No. 9's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Champaign and Ford Counties Regional Office of Education No. 9's internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable Frank J. Mautino Auditor General State of Illinois

As Special Assistant Auditors for the Auditor General, we have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the cash basis financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Champaign and Ford Counties Regional Office of Education No. 9, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise Champaign and Ford Counties Regional Office of Education No. 9's basic financial statements, and have issued our report thereon dated April 11, 2024.

Report on Internal Control Over Financial Reporting

Management of the Champaign and Ford Counties Regional Office of Education No. 9 is responsible for establishing and maintaining effective internal control over financial reporting (internal control).

In planning and performing our audit of the financial statements, we considered Champaign and Ford Counties Regional Office of Education No. 9's internal control as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Champaign and Ford Counties Regional Office of Education No. 9's internal control. Accordingly, we do not express an opinion on the effectiveness of Champaign and Ford Counties Regional Office of Education No. 9's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis.

400 E. Randolph Street, Suite 700, Chicago, Illinois 60601 | T (312) 240-9500 | F (312) 240-0295 | www.adelfiacpas.com

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the second paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified certain deficiencies in internal control, described in the accompanying Schedule of Findings and Responses as item 2023-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Champaign and Ford Counties Regional Office of Education No. 9's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Regional Office of Education No. 9's Response to the Finding

Government Auditing Standards requires the auditor to perform limited procedures on the Regional Office of Education No. 9's response to the finding identified in our audit and described in the accompanying Schedule of Findings and Responses. The Regional Office of Education No. 9's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Champaign and Ford Counties Regional Office of Education No. 9's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Champaign and Ford Counties Regional Office of Education No. 9's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Honorable Frank J. Mautino Auditor General State of Illinois

Report on Compliance for Each Major Federal Program

Opinion on Each Major Program

As Special Assistant Auditors for the Auditor General, we have audited Champaign and Ford Counties Regional Office of Education No. 9 with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Champaign and Ford Counties Regional Office of Education No. 9's major federal programs for the year ended June 30, 2023. The Champaign and Ford Counties Regional Office of Education No. 9's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, Champaign and Ford Counties Regional Office of Education No. 9 complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

400 E. Randolph Street, Suite 700, Chicago, Illinois 60601 | T (312) 240-9500 | F (312) 240-0295 | www.adelfiacpas.com

We are required to be independent of the Champaign and Ford Counties Regional Office of Education No. 9 and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions on compliance for each major federal program. Our audit does not provide a legal determination of the Champaign and Ford Counties Regional Office of Education No. 9's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Champaign and Ford Counties Regional Office of Education No. 9's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Champaign and Ford Counties Regional Office of Education No. 9's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Champaign and Ford Counties Regional Office of Education No. 9's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Champaign and Ford Counties Regional Office of Education No. 9's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.

• obtain an understanding of the Champaign and Ford Counties Regional Office of Education No. 9's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Champaign and Ford Counties Regional Office of Education No. 9's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

FINDING 2023-001 - Inadequate Internal Control over Receipts

CRITERIA/SPECIFIC REQUIREMENT:

Sound internal controls require a policy on timeliness of deposits, either based on dollar threshold or defined timeframe, from the date of receipt. There should be documentation of the date when cash and checks are received.

CONDITION:

We noted 12 of 40 receipts tested (30%), totaling \$138,878, had no documentation when the checks were received. As a result, we were unable to determine if the receipts were deposited in a timely manner.

EFFECT:

Failure to ensure timely deposit of receipts could compromise internal controls, increase the risk of potential loss, and result in a loss of interest income.

CAUSE:

The Regional Office of Education No. 9 officials indicated deposits were delayed due to competing priorities.

RECOMMENDATION:

The Regional Office of Education No. 9 should implement controls and maintain adequate supporting documentation to ensure cash receipts are deposited in a timely manner.

MANAGEMENT RESPONSE:

We have implemented a spreadsheet to record when the check comes in. This started on February 1, 2024 (approximately). This will be the standard operating procedure from this point on.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Regional Office of Education No. 9 was created by Illinois Public Act 76-735, as amended, effective August 7, 1995. The Regional Office operates under the School Code (105 ILCS 5/3 and 5/3A). The region encompasses Champaign and Ford counties.

A. DATE OF MANAGEMENT'S REVIEW

Management has evaluated subsequent events through April 11, 2024, the date when the financial statements were available to be issued.

B. FINANCIAL REPORTING ENTITY

The Regional Superintendent is charged with responsibility for township fund lands; registration of the names of applicants for scholarships to State-controlled universities; examinations and related duties; visitation of public schools; direction of teachers and school officers; to serve as the official advisor and assistant of school officers and teachers; to conduct teachers institutes as well as to aid and encourage the formation of other teachers' meetings and assist in their management; to evaluate the schools in the region; to examine evidence of indebtedness; to file and keep the returns of elections required to be returned to the Regional Superintendent's office; and to file and keep the reports and statements returned by school treasurers and trustees.

The Regional Superintendent is also charged with the responsibilities of conducting a special census, when required; providing notice of money distributed to treasurers, board presidents, clerks, and secretaries of the school districts on or before each September 30; maintenance of a map and numbering of the Regional Office of Education No. 9's districts; providing township treasurers with a list of district treasurers; inspecting and approving building plans which comply with State law; performing and reporting on annual building inspections; investigating bus drivers for valid bus driver permits and taking related action as may be required; maintaining a list of unfilled teaching positions; and carrying out other related duties required or permitted by law.

The Regional Superintendent is responsible for inspection and approval or rejection of school treasurers' bonds. The Regional Superintendent is also required to provide the State Board of Education with an affidavit showing that the treasurers of school districts within the region are properly bonded.

The Regional Superintendent is also responsible for apportionment and payment of funds received from the State for the districts in the region, or seeing that no payments are made unless the treasurer has filed or renewed appropriate bond and that the district has certified publication of the annual financial report. The Regional Superintendent is required to provide opinions and advice related to controversies under school law.

For the period ended June 30, 2023, the Regional Office of Education No. 9 applied for, received, and administered numerous State and federal programs and grants in assistance and support of the educational activities of the school districts in Regional Office of Education No. 9. Such activities are reported as a single special revenue fund (Education Fund).

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. SCOPE OF THE REPORTING ENTITY

The Regional Office of Education No. 9's reporting entity includes all related organizations for which it exercises oversight responsibility.

The Regional Office of Education No. 9 has developed criteria to determine whether outside agencies with activities which benefit the citizens of the region, including districts or joint agreements which serve pupils from numerous regions, should be included in its financial reporting entity. The criteria include, but are not limited to, whether the Regional Office of Education No. 9 exercises oversight responsibility (which includes financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations, and accountability for fiscal matters), scope of public service, and special financing relationships.

The districts and joint agreements have been determined not to be a part of the reporting entity after applying the manifesting of oversight, scope of public service, and special financing relationships criteria and are therefore excluded from the accompanying financial statements because the Regional Office of Education No. 9 does not control the assets, operations, or management of the districts or joint agreements. In addition, the Regional Office of Education No. 9 is not aware of any entity that would exercise such oversight as to result in the Regional Office of Education No.9 being considered a component unit of the entity.

D. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The Statement of Net Position – Cash Basis and the Statement of Activities – Cash Basis are government-wide financial statements. They report information on all of the Regional Office of Education No. 9's activities, with most of the interfund activities removed. Governmental activities include programs supported primarily by State and federal grants and other intergovernmental revenues. The Regional Office of Education has four business-type activities that rely on fees and charges for support.

The Regional Office of Education No. 9's government-wide financial statements include a Statement of Net Position – Cash Basis and a Statement of Activities – Cash Basis. These statements present a summary of governmental and business-type activities for the Regional Office of Education No. 9 accompanied by a total column. These statements are presented on an "economic resources" measurement focus, within the limitation of the cash basis of accounting as defined later, prescribed by GASB Statement No. 34. All of the Regional Office of Education No.9's cash basis assets and liabilities are included in the accompanying Statement of Net Position – Cash Basis. The Statement of Activities – Cash Basis demonstrates the degree to which the direct expenses of a given function are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include (1) charges for services and (2) grants and contributions that are restricted to meeting operational or capital requirements of a particular function. Other items not included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS (Concluded)

Governmental fund financial statements include a Balance Sheet – Cash Basis and a Statement of Revenues, Expenditures, and Changes in Fund Balances – Cash Basis for all major governmental funds and nonmajor funds aggregated.

E. PROPRIETARY FUND FINANCIAL STATEMENTS

Proprietary fund financial statements include a Statement of Net Position – Cash Basis and a Statement of Revenues, Expenses, and Changes in Fund Net Position – Cash Basis for each major proprietary fund and nonmajor funds aggregated.

Proprietary funds are accounted for using the "economic resources" measurement focus within the limitation of the cash basis of accounting as defined later. Accordingly, all cash basis assets and liabilities are included on the Statement of Net Position – Cash Basis. The Statement of Revenues, Expenses, and Changes in Fund Net Position – Cash Basis presents increases (revenues) and decreases (expenses) in total net position. Under the cash basis of accounting, revenues are recognized in the period in which they are received while expenses are recognized in the period in which they are disbursed.

Operating revenues in the proprietary funds are those revenues that are generated from the primary operations of the fund. All other revenues are reported as nonoperating revenues. Operating expenses are those expenses that are essential to the primary operations of the fund. All other expenses are reported as nonoperating expenses.

F. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

In the government-wide Statement of Net Position – Cash Basis and Statement of Activities – Cash Basis and the fund financial statements, governmental activities are presented using the "economic resources" measurement focus and the cash basis of accounting. This basis recognizes assets, liabilities, net position, revenues, and expenditures when they result from cash transactions with the exception that tangible non-cash assistance is recorded. Fiduciary fund financial statements also report using this same focus and basis of accounting. This basis is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

As a result of the use of this cash basis of accounting, certain assets and their related revenues (such as accounts receivable and revenue for billed or provided services not yet collected) and certain liabilities and their related expenses (such as accounts payable and expenses for goods or services received but not yet paid, and accrued expenses and liabilities) are not recorded in these financial statements. In addition, capital assets, postemployment liabilities and related expenses, and deferred inflows and deferred outflows, if applicable, are not recorded in these financial statements.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING (Concluded)

If the Regional Office utilized the basis of accounting recognized as generally accepted, the fund financial statements for governmental funds would use the modified accrual basis of accounting. The government-wide and proprietary fund financials would be presented on the accrual basis of accounting.

Under the terms of grant agreements, Regional Office of Education No. 9 funds certain programs by a combination of specific cost-reimbursement grants and general revenues. Thus, when program expenses are incurred, there are both restricted and unrestricted funding resources available to finance the program. It is Regional Office of Education No. 9's policy to first apply restricted funds to such programs, and then unrestricted funds. For unrestricted funds, committed funds are used first, then assigned funds, then unassigned funds if any.

G. FUND ACCOUNTING

The Regional Office of Education No. 9 uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The Regional Office of Education No. 9 uses governmental, proprietary, and fiduciary funds.

GOVERNMENTAL FUNDS

Governmental funds are those through which most governmental functions typically are reported. Reporting for governmental funds focuses on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purpose for which they may or must be used.

As prescribed by GASB Statement No. 34, governmental and proprietary fund reporting focuses on the major funds, rather than on the fund type. There is a two-step process for determining if a fund should be reported as a major fund: (1) total assets, liabilities, revenues, or expenditures/expenses (excluding extraordinary items) of an individual fund are at least 10% of the corresponding total for the fund type, and (2) total assets, liabilities, revenues, or expenditures/expenses (excluding extraordinary items) of an individual fund are at least 5% of the corresponding total for the total of all governmental and proprietary funds combined. Funds that do not meet the major fund determination requirements are reported in aggregate as nonmajor funds. The Regional Office of Education No. 9 has presented all major funds that met the above qualifications.

Certain programs within the General Fund and Education Fund have separate budgets and are required to report to the Illinois State Board of Education; however, none of the annual budgets have been legally adopted nor are they required to be. Comparisons of budgeted and actual results are presented as supplementary information. Budgetary comparison schedules have been provided in supplementary schedules for the following funds: Area IV Learning Technology Hub, CTE State Leadership, McKinney-Vento Homeless Children & Youth Program, American Rescue Plan – Homeless Children & Youth, Social Emotional Learning, Connections – SEL, Regional Safe Schools, RtI Network, Schoolworks Operations, TAOEP, Elevating Special Educators, Digital Equity, and ISBE Capacity Builders.

N. NEW ACCOUNTING PRONOUNCEMENTS

For the fiscal year ended June 30, 2023, the Regional Office of Education No. 9 implemented Governmental Accounting Standards Board (GASB) Statement No. 91, Conduit Debt Obligations, GASB Statement No. 94, Public-Private and Public-Public Partnerships and Availability Payment Arrangements, GASB Statement No. 96, Subscription-Based Information Technology Arrangements, and certain provisions of GASB Statement No. 99, Omnibus 2022. The implementation of these GASB Statements had no significant impact on the Regional Office of Education No. 9's financial statements.

O. STATE AND FEDERAL SOURCE REVENUE

Certain State and federal grants provide funding that is restricted to expenditures for specified purposes within specified time frames. If the funding is not spent within such guidelines, it must be returned to the grantor. The Elevating Special Educators program, included in the Education Fund, did not expend the full amount of revenue it received during the year ended June 30, 2023 and will be returning \$201,272 to the Illinois State Board of Education during the year ending June 30, 2024.

NOTE 2 – CASH

A. DEPOSITS

At June 30, 2023, the carrying amounts of the Regional Office of Education No. 9's government-wide fund and custodial fund deposits were \$4,471,331 and \$17,898, respectively, and the bank balances were \$4,832,243 and \$121,020, respectively. Of the total bank balances as of June 30, 2023, \$372,020 was secured by federal depository insurance and \$4,581,243 was collateralized by pledged securities.

CUSTODIAL CREDIT RISK

Custodial credit risk for deposits with financial institutions is the risk that, in the event of bank failure, the Regional Office of Education No. 9's deposits may not be returned to it. To guard against custodial credit risk for deposits with financial institutions, the Regional Office of Education No. 9's investment policy requires that deposits with financial institutions in excess of FDIC limits be secured by some form of collateral, by a written agreement, and held at an independent, third-party institution in the name of the Regional Office of Education No. 9.

B. **INVESTMENTS**

At June 30, 2023, the carrying amount of the Regional Office of Education No. 9's deposits in the Illinois Funds Money Market Fund for the governmental activities was \$94. The bank balance invested in the Illinois Funds Money Market Fund was \$94. This fund enables custodians of public funds an investment option with a competitive rate of return on fully collateralized investments and immediate access to the funds. These deposits are included in cash and cash equivalents in the Regional Office of Education No. 9's governmental activities.

CREDIT RISK

At June 30, 2023, the Illinois Funds Money Market Fund had a Standard and Poor's AAAm rating. The pool is audited annually by an outside independent auditor and copies of the report are distributed to participants. Although not subject to direct regulatory oversight, the fund is administered by the Illinois State Treasurer in accordance with the provision of the Illinois Public Funds Investment Act, 30 ILCS 235. All investments are fully collateralized.

CONCENTRATION OF CREDIT RISK

Unless specifically authorized by the Treasurer, the Illinois Funds Money Market Fund's investment policy limits investment categories to not exceed 25% of the portfolio with the exception of cash equivalents and U.S. Treasury securities. Further, certificates of deposit cannot exceed 10% of any single financial institution's total deposits.

INTEREST RATE RISK

The Illinois Funds Money Market Fund, created by the Illinois General Assembly, enables custodians of public funds an investment option with a competitive rate of return on fully collateralized investments and immediate access to the funds. The investment policy of the Illinois Funds Money Market Fund states that, unless authorized specifically by the Treasurer, a minimum of 75% of its investments shall have less than one year maturity and no investment shall exceed two years maturity.

NOTE 3 – DEFINED BENEFIT PENSION PLAN

The Regional Office of Education No. 9 contributes to the Illinois Municipal Retirement Fund (IMRF) for both Regional Office of Education No. 9 and Facilitating Coordination in Agricultural Education (FCAE) employees reported under Regional Office of Education No. 9's IMRF employer number. IMRF is an agent multiple-employer public employee retirement system; however, the Regional Office of Education No. 9's participation in IMRF is equivalent to a cost sharing multiple-employer pension plan since only one actuarial valuation is performed for both the Regional Office of Education No. 9 and FCAE combined. The IMRF contributions reported in the Regional Office of Education No. 9's financial statements are only the contributions related to the Regional Office's employees. The IMRF contributions for FCAE employees have been included in the Payroll Clearing Fund in the Fiduciary Funds financial statements.

IMRF Plan Description

The Regional Office of Education No. 9's defined benefit pension plan for regular employees provides retirement and disability benefits, post-retirement increases, and death benefits to plan members and beneficiaries. The Regional Office of Education No. 9's plan is managed by the Illinois Municipal Retirement Fund (IMRF), the administrator of an agent multiple employer public pension fund. A summary of IMRF's pension benefits is provided in the following "Benefits Provided" section of this note. Details of all benefits are available from IMRF. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available Annual Comprehensive Financial Report that includes financial statements, detailed information about the pension plan's fiduciary net position, and required supplementary information. The report is available for download at www.imrf.org.

Benefits Provided

IMRF has three benefit plans. The vast majority of IMRF members participate in the Regular Plan (RP). The Sheriff's Law Enforcement Personnel (SLEP) plan is for sheriffs, deputy sheriffs, and selected police chiefs. Counties could adopt the Elected County Official (ECO) plan for officials elected prior to August 8, 2011 (the ECO plan was closed to new participants after that date).

All three IMRF benefit plans have two tiers. Employees hired before January 1, 2011, are eligible for Tier 1 benefits. Tier 1 employees are vested for pension benefits when they have at least eight years of qualifying service credit. Tier 1 employees who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement.

NOTE 3 – DEFINED BENEFIT PENSION PLAN (Concluded)

Benefits Provided (Concluded)

Employees hired on or after January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the lesser of:

- 3% of the original pension amount, or
- 1/2 of the increase in the Consumer Price Index of the original pension amount.

Contributions

As set by statute, the Regional Office of Education No. 9's Regular Plan Members are required to contribute 4.5% of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The Regional Office of Education No. 9's annual contribution rate for calendar year 2022 was 9.75%. For the fiscal year ended June 30, 2023, the Regional Office of Education No. 9 contributed \$111,844 to the plan. The Regional Office of Education No. 9 also contributes for disability benefits, death benefits, and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by IMRF's Board of Trustees, while the supplemental retirement benefits rate is set by statute.

NOTE 4 – TEACHERS' RETIREMENT SYSTEM OF THE STATE OF ILLINOIS

Plan Description

The Regional Office of Education No. 9 participates in the Teachers' Retirement System of the State of Illinois (TRS). TRS is a cost-sharing multiple-employer defined benefit pension plan that was created by the Illinois legislature for the benefit of Illinois public school teachers employed outside the city of Chicago. TRS members include all active non-annuitants who are employed by a TRS-covered employer to provide services for which teacher licensure is required. The Illinois Pension Code outlines the benefit provisions of TRS, and amendments to the plan can be made only by legislative action with the Governor's approval. The TRS Board of Trustees is responsible for the System's administration.

TRS issues a publicly available financial report that can be obtained at http://trsil.org/financial/acfrs/fy2022; by writing to TRS at 2815 W. Washington, PO Box 19253, Springfield, IL 62794; or by calling (888) 678-3675, option 2.

NOTE 4 – TEACHERS' RETIREMENT SYSTEM OF THE STATE OF ILLINOIS (Continued)

Benefits Provided

TRS provides retirement, disability, and death benefits. Tier I members have TRS or reciprocal system service prior to January 1, 2011. Tier I members qualify for retirement benefits at age 62 with five years of service, at age 60 with 10 years, or age 55 with 20 years. The benefit is determined by the average of the four highest consecutive years of creditable earnings within the last 10 years of creditable service and the percentage of average salary to which the member is entitled. Most members retire under a formula that provides 2.2 percent of final average salary up to a maximum of 75 percent with 34 years of service.

Tier II members qualify for retirement benefits at age 67 with 10 years of service, or a discounted annuity can be paid at age 62 with 10 years of service. Creditable earnings for retirement purposes are capped and the final average salary is based on the highest consecutive eight years of creditable service rather than the highest four. Disability provisions for Tier II are identical to those of Tier I. Death benefits are payable under a formula that is different from Tier I.

Essentially all Tier I retirees receive an annual 3 percent increase in the current retirement benefit beginning January 1 following the attainment of age 61 or on January 1 following the member's first anniversary in retirement, whichever is later. Tier II annual increases will be the lesser of three percent of the original benefit or one-half percent of the rate of inflation beginning January 1 following attainment of age 67 or on January 1 following the member's first anniversary in retirement, whichever is later.

Public Act 100-0023, enacted in 2017, creates an optional Tier III hybrid retirement plan, but it has not yet gone into effect. Public Act 100-0587, enacted in 2018, requires TRS to offer two temporary benefit buyout programs that expire on June 30, 2026. One program allows retiring Tier 1 members to receive a partial lump-sum payment in exchange for accepting a lower, delayed annual increase. The other allows inactive vested Tier 1 and 2 members to receive a partial lump-sum payment in lieu of a retirement annuity. Both programs began in 2019 and are funded by bonds issued by the State of Illinois.

Contributions

The State of Illinois maintains the primary responsibility for funding TRS. The Illinois Pension Code, as amended by Public Act 88-0593 and subsequent acts, provides that for years 2010 through 2045, the minimum contribution to the System for each fiscal year shall be an amount determined to be sufficient to bring the total assets of the System up to 90 percent of the total actuarial liabilities of the System by the end of fiscal year 2045.

Contributions from active members and TRS contributing employers are also required by the Illinois Pension Code. The contribution rates are specified in the pension code. The active member contribution rate for the year ended June 30, 2022, was 9.0 percent of creditable earnings. The member contribution, which may be paid on behalf of employees by the employer, is submitted to TRS by the Regional Office of Education No. 9.

2.2 formula contributions. Employers contribute 0.58 percent of total creditable earnings for the 2.2 formula change. The contribution rate is specified by statute. Contributions for the year ended June 30, 2023, were \$18,188.

NOTE 4 – TEACHERS' RETIREMENT SYSTEM OF THE STATE OF ILLINOIS (Concluded)

Federal and special trust fund contributions. When TRS members are paid from federal and special trust funds administered by the Regional Office of Education No. 9, there is a statutory requirement for the Regional Office of Education No. 9 to pay an employer pension contribution from those funds. Under Public Act 100-0340, the federal and special trust fund contribution rate is the total employer normal cost beginning with the year ended June 30, 2018. Previously, employer contributions for employees paid from federal and special trust funds were at the same rate as the state contribution rate to TRS and were much higher.

For the year ended June 30, 2023, the employer pension contribution was 10.49 percent of salaries paid from federal and special trust funds. For the year ended June 30, 2023, salaries totaling \$703,265 were paid from federal and special trust funds that required employer contributions of \$73,772.

Employer retirement cost contributions. Under GASB Statement No. 68, contributions that an employer is required to pay because of a TRS member retiring are categorized as specific liability payments. The Regional Office of Education No. 9 is required to make a one-time contribution to TRS for members granted salary increases over 6 percent if those salaries are used to calculate a retiree's final average salary.

A one-time contribution is also required for members granted sick leave days in excess of the normal annual allotment if those days are used as TRS service credit. For the year ended June 30, 2023, the Regional Office of Education No. 9 made no payments to TRS for employer contributions due on salary increases in excess of 6 percent or for sick leave days granted in excess of the normal annual allotment.

NOTE 5 – TEACHERS' HEALTH INSURANCE SECURITY FUND

THIS Plan Description

The Regional Office of Education No. 9 participates in the Teachers' Health Insurance Security (THIS) fund. The THIS fund is a non-appropriated trust fund held outside the State Treasury, with the State Treasurer as custodian. Additions deposited into the Trust are for the sole purpose of providing the health benefits to retirees, as established under the plan, and associated administrative costs. The THIS fund is a cost-sharing multiple-employer defined benefit post-employment healthcare plan that covers retired employees of participating employers throughout the State of Illinois, excluding the Chicago Public School System. THIS health coverage includes provisions for medical, prescription, and behavioral health benefits, but does not provide vision, dental, or life insurance benefits. Annuitants may participate in the State administered Preferred Provider Organization plan or choose from several managed care options. As a result of the Governor's Executive Order 12-01, the responsibilities in relation to THIS were transferred to the Department of Central Management Services (Department) as of July 1, 2013. The Department administers the plan with the cooperation of the Teachers' Retirement System (TRS).

NOTE 5 – TEACHERS' HEALTH INSURANCE SECURITY FUND (Concluded)

Benefits Provided

The State Employees Group Insurance Act of 1971 (5 ILCS 375) outlines the benefit provisions of the THIS Fund and amendments to the plan can be made only by legislative action with the Governor's approval. The plan is administered by Illinois Department of Central Management Services (CMS) with the cooperation of TRS. Section 6.6 of the State Employees Group Insurance Act of 1971 required all active contributors to TRS who are not employees of the State to make a contribution to the THIS Fund.

A percentage of employer required contributions in the future will not exceed 105 percent of the percentage of salary actually required to be paid in the previous fiscal year.

Employer contributions to the THIS Fund

The Regional Office of Education No. 9 also makes contributions to the THIS Fund. The employer THIS Fund contribution was 0.67 percent during the years ended June 30, 2023 and 2022, and 0.92 percent during the year ended June 30, 2021. For the year ended June 30, 2023, the Regional Office of Education No. 9 paid \$21,024 to the THIS Fund, which was 100 percent of the required contribution. For the years ended June 30, 2022 and 2021, the Regional Office of Education No. 9 paid \$22,761 and \$23,648 to the THIS Fund, respectively, which was 100 percent of the required contribution.

Further information on the THIS Fund

The publicly available financial report of the THIS Fund may be found on the website of the Illinois Auditor General: http://www.auditor.illinois.gov/Audit-Reports/ABC-List.asp. The current reports are listed under "Central Management Services." Prior reports are available under "Healthcare and Family Services."

NOTE 6 – OTHER POST-EMPLOYMENT BENEFITS – HEALTH INSURANCE

Plan Description

The Regional Office of Education No. 9 provides a single-employer defined-benefit postemployment healthcare plan to retirees who participate in the IMRF retirement plan. This plan extends the same health benefits to annuitants as to active employees in the IMRF plan. The Governmental Accounting Standards Board (GASB) issued Statement No.'s 74 and 75 that established generally accepted accounting principles for the annual financial statements for postemployment benefit plans other than pension plans. The required information is as follows:

Eligibility Provisions

Full-Time Employees – IMRF

Tier I IMRF Full-Time ROE employees age 55 with at least 8 years of service are covered. Tier II IMRF Full-Time ROE employees age 62 with at least 10 years of service are covered.

Full-Time Employees – TRS

TRS employees are not eligible to stay on ROE insurance coverage upon retirement.

NOTE 6 – OTHER POST-EMPLOYMENT BENEFITS – HEALTH INSURANCE (Concluded)

Benefits Provided

The Regional Office of Education No. 9 provides continued health insurance coverage at the blended employer rate to all eligible Regional Office of Education No. 9 retirees in accordance with Illinois Compiled Statutes, which creates an implicit subsidy of retiree health insurance. The Regional Office of Education No. 9 offers several Health Alliance Medical Plans to full time IMRF employees. Retirees pay the full cost of coverage, including the cost of spousal coverage. Coverage continues until Medicare eligibility is reached. If the retiree attains age 65 (eligible for Medicare) prior to their spouse, the spouse may continue to elect coverage through the Regional Office of Education No. 9 until the spouse attains age 65.

Funding Policy

There is no funding policy that exists for the postretirement plan at this time, as the total OPEB liabilities are currently an unfunded obligation.

NOTE 1 – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the schedule) includes the federal award activity of the Regional Office of Education No. 9 under programs of the federal government for the year ended June 30, 2023. The information in this schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirement for Federal Awards* (Uniform Guidance). The Regional Office of Education No. 9 has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE 3 – LOANS/LOAN GUARANTEES/INTEREST SUBSIDIES

This is not applicable as the entity did not have any loans/loan guarantees/interest subsidies outstanding at year-end.

NOTE 4 – NON-CASH ASSISTANCE

The amount of federal commodities reported on the schedule is the value of federal commodities received by the Regional Office of Education No. 9 and priced as prescribed by the Illinois State Board of Education.
