HANCOCK/MCDONOUGH REGIONAL OFFICE OF EDUCATION #26  
FINANCIAL STATEMENT REPORT  
SUMMARY

The audit of the accompanying basic financial statements of Hancock/McDonough Regional Office of Education #26 was performed by Ginoli & Company Ltd.

Based on their audit, the auditors expressed an unqualified opinion on the Hancock/McDonough Regional Office of Education #26's basic financial statements.

INDEPENDENT AUDITORS' REPORT

Honorable William G. Holland  
Auditor General  
State of Illinois

As Special Assistant Auditors for the Auditor General, we have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Hancock/McDonough Regional Office of Education #26, as of and for the year ended June 30, 2010, which collectively comprise the Hancock/McDonough Regional Office of Education #26's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Regional Office of Education #26's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Hancock/McDonough Regional Office of Education #26, as of June 30, 2010, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated May 25, 2011 on our consideration of the Hancock/McDonough Regional Office of Education #26's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The Management's Discussion and Analysis and Illinois Municipal Retirement Fund Schedule of Funding Progress on pages 20 through 27 and page 58 are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Hancock/McDonough Regional Office of Education #26's basic financial statements. The combining and individual nonmajor fund financial statements, budgetary comparison schedules, and Schedule of Disbursements to School District Treasurers and Others are presented for purposes of additional analysis and are not a required part of the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the basic financial statements of the Hancock/McDonough Regional Office of Education #26. The combining and individual nonmajor fund financial statements, budgetary comparison schedules, Schedule of Disbursements to School District Treasurers and Others, and the Schedule of Expenditures of Federal Awards have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Honorable William G. Holland  
Auditor General  
State of Illinois

As Special Assistant Auditors for the Auditor General, we have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Hancock/McDonough Regional Office of Education #26, as of and for the year ended June 30, 2010, which collectively comprise the Hancock/McDonough Regional Office of Education #26's basic financial statements and have issued our report thereon dated May 25, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Hancock/McDonough Regional Office of Education #26's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Hancock/McDonough Regional Office of Education #26's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Regional Office of Education #26's internal control over financial reporting.

Our consideration of the internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying Schedule of Findings and Questioned Costs we identified a certain deficiency in internal control over financial reporting that we consider to be a material weakness.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in finding 10-1 in the accompanying Schedule of Findings and Questioned Costs to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Hancock/McDonough Regional Office of Education #26's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Hancock/McDonough Regional Office of Education #26's response to the finding identified in our audit is described in the accompanying Schedule of Findings and Questioned Costs. We did not audit Hancock/McDonough Regional Office of Education #26's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the Auditor General, the General Assembly, the Legislative Audit Commission, the Governor, agency management, others within the organization, Illinois State Board of Education, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS THAT  
COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM  
AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB  
CIRCULAR A-133**

Honorable William G. Holland  
Auditor General  
State of Illinois

Compliance

We have audited the Hancock/McDonough Counties Regional Office of Education #26 compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Hancock/McDonough Counties Regional Office of Education #26's major federal programs for the year ended June 30, 2010. The Hancock/McDonough Regional Office of Education #26's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the Hancock/McDonough Regional Office of Education #26's management. Our responsibility is to express an opinion on the Hancock/McDonough Counties Regional Office of Education #26's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Hancock/McDonough Counties Regional Office of Education #26's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the Hancock/McDonough Counties Regional Office of Education #26's compliance with those requirements.

In our opinion, the Hancock/McDonough Counties Regional Office of Education #26 complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2010.

### Internal Control Over Compliance

The management of the Hancock/McDonough Counties Regional Office of Education #26 is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Hancock/McDonough Counties Regional Office of Education #26's internal control over compliance with requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Hancock/McDonough Counties Regional Office of Education #26's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be a material weakness, as defined above.

This report is intended solely for the information and use of the Auditor General, the General Assembly, the Legislative Audit Commission, the Governor, agency management, others within the organization, Illinois State Board of Education, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

SECTION II - FINANCIAL STATEMENT FINDINGS  
For The Year Ended June 30, 2010

**FINDING NO. 10-1 - Controls Over Financial Statement Preparation (Repeat of prior years findings: 09-1, 08-1 and 07-1)**

**Criteria/Specific Requirement:**

The Hancock/McDonough Regional Office of Education #26 is required to maintain a system of controls over the preparation of financial statements in accordance with generally accepted accounting principles (GAAP). Regional Office controls over GAAP financial reporting should include adequately trained personnel with the knowledge and expertise to prepare and/or thoroughly review GAAP based financial statements to ensure that they are free of material misstatements and include all disclosures as required by the Governmental Accounting Standards Board (GASB).

**Condition:**

The Regional Office of Education #26 does not have sufficient internal controls over the financial reporting process. The Regional Office maintains their accounting records on the accrual basis for disbursements and the cash basis for receipts. While the Regional Office maintains controls over the processing of most accounting transactions, there are not sufficient controls over the preparation of the GAAP based financial statements for management or employees in the normal course of performing their assigned functions to prevent or detect financial statement misstatements and disclosure omissions in a timely manner. For example, auditors, in their review of the Regional Office's accounting records, noted the following:

- The Regional Office did not have adequate controls over the maintenance of complete records of accounts receivable, accounts payable, and deferred revenue.
- The Regional Office did not maintain adequate internal controls over the processing of all financial transactions, and numerous adjustments were required to present financial statements in accordance with generally accepted accounting principles.

**Effect:**

Management or employees in the normal course of performing their assigned functions may not prevent or detect financial statement misstatements and disclosure omissions in a timely manner.

**Cause:**

According to Regional Office officials, they did not have adequate funding to hire and/or train their accounting personnel in order to comply with these requirements.

SECTION II - FINANCIAL STATEMENT FINDINGS  
For The Year Ended June 30, 2009

**Recommendation:**

As part of its internal control over the preparation of its financial statements, including disclosures, the Regional Office of Education #26 should implement a comprehensive preparation and /or review procedure to ensure that the financial statements, including note disclosures, are complete and accurate. Such procedures should be performed by a properly trained individual(s) possessing a thorough understanding of applicable generally accepted accounting principles, GASB pronouncements, and knowledge of the Regional Office of Education's activities and operations.

**Management's Response:**

The Regional Office of Education #26 understands the nature of this finding and realizes that this circumstance is not unusual in an organization of this size. The Regional Office accepts the degree of risk associated with this condition because the added expense of seeking additional accounting expertise to prepare and/or review financial statements would take away from the funds available to provide educational services for the schools in the region.

MANAGEMENT'S DISCUSSION AND ANALYSIS

**HANCOCK/MCDONOUGH REGIONAL OFFICE OF EDUCATION #26**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**June 30, 2010**

The Hancock/McDonough Regional Office of Education #26 provides this Management's Discussion and Analysis of its financial statements. This narrative overview and analysis of the financial activities is for the fiscal year ended June 30, 2010. We encourage readers to consider this information with the Agency's financial statements, which follow.

**2010 Financial Highlights**

General Fund revenues decreased from \$635,715 in fiscal year 2009 (FY 09) to \$628,433 in fiscal year 2010 (FY 10). The General Fund expenditures also increased from \$615,189 in FY 09 to \$650,901 in FY 10. The Regional Office experienced a severe decrease in the General Fund balance from \$201,098 at the beginning of FY 10 to a General Fund balance of \$78,630 at the end of FY 10. FY 10 revenues were down primarily or solely due to the State of Illinois not making their FY10 payments in a timely manner. At the end of FY10, this Regional Office was owed a substantial amount from the State of Illinois.

**Using This Annual Report**

- Management's Discussion and Analysis introduces the basic financial statements and provides an analytical overview of the Office's financial activities.
- The Government-wide Financial Statements consist of a Statement of Net Assets and a Statement of Activities. These provide information about the activities of the Regional Office of Education #26 as a whole and present an overall view of the Office's finances.
- The fund financial statements tell how governmental services were financed in the short term as well as what remains for future spending. Fund financial statements report the Office's operations in more detail than the government-wide statements by providing information about the most significant funds.
- Notes to the Financial Statements provide additional information that is essential to a full understanding of the data provided in the basic financial statements.
- Supplementary information further explains and supports the financial statements with a comparison of the Office's detailed information for each category of funds and also provides detailed information about the non-major funds.

**Reporting the Regional Office of Education #26 as a Whole**

The Statement of Net Assets and the Statement of Activities

The government-wide statements report information about the Regional Office of Education #26 as a whole using accounting methods similar to those used by private-sector companies. The Statement of Net Assets includes all of the Hancock/McDonough Regional Office of Education #26’s assets and liabilities. All of the current year revenues and expenses are accounted for in the Statement of Activities regardless of when cash is received or paid.

The two government-wide statements report the Office’s net assets and how they have changed. Net assets—the difference between the assets and liabilities—are one way to measure the Office’s health or position.

- Over time, increases or decreases in the net assets can be an indicator of whether the financial position is improving or deteriorating, respectively.
- To assess the Office’s overall health, additional non-financial factors, such as new laws, rules, regulations, and actions by officials at the state level need to be considered.

**Fund Financial Statements**

The fund financial statements provided detailed information about the Regional Office’s funds, focusing on its most significant or “major” funds. Funds are accounting devices which allow the tracking of specific sources of funding and spending on particular programs. Some funds are required by State law. The Hancock/McDonough Regional Office of Education #26 established other funds to control and manage money for particular purposes.

- 1) Governmental funds account for a majority of the Office’s services. These focus on how cash and other financial assets that can be readily converted to cash flow in and out and balance left at year-end that is available for spending. Consequently, the governmental fund statements provide a detailed short-term view that helps determine whether there are more or fewer resources that can be spent in the near future to finance the Office’s programs. The Office’s governmental funds include: the General Fund and the Special Revenue Funds.

The governmental fund’s required financial statements include a Balance Sheet and a Statement of Revenue, Expenditures and Changes in Fund Balances.

**HANCOCK/MCDONOUGH REGIONAL OFFICE OF EDUCATION #26**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**June 30, 2010**

- 2) Proprietary funds account for services for which the Hancock/McDonough Regional Office of Education #26 charges fees under a cost-reimbursement method. These fees cover the costs of certain services and workshops it provides.

The proprietary fund's required financial statements include a Statement of Net Assets, a Statement of Revenues, Expenses and Changes in Fund Net Assets, and a Statement of Cash Flows.

- 3) Fiduciary funds account for services for which the Hancock/McDonough Regional Office of Education #26 acts as fiscal agent for individuals and private or governmental organizations.

The fiduciary funds required financial statements include a Statement of Fiduciary Net Assets.

A summary reconciliation between the government-wide financial statements and the fund financial statements is included after each fund financial statement.

**Government-Wide Financial Analysis**

As noted earlier, net assets may serve over time as a useful indicator of financial position. The Hancock/McDonough Regional Office of Education #26's net assets at the end of fiscal year 2009 totaled \$585,586. At the end of fiscal year 2010, the net assets were \$584,939.

Net assets related to the Teacher Institute Fund are considered restricted for teacher professional development.

The analysis that follows provides a summary of the Office's net assets at June 30, 2010 and 2009.

**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**June 30, 2010**

**Governmental Activities**

For FY 10, revenues for governmental activities were \$3,600,153 and expenses were \$3,605,302. The Regional Office of Education #26 determined that the increase in expense is due to higher salaries, benefits, and travel costs.

**Business-Type Activities**

Combined revenue and expense for the Hancock/McDonough Regional Office of Education #26's business-type activities increased net assets by \$4,502.

**Financial Analysis of the Regional Office of Education #26 Funds**

As previously noted, the ROE #26 uses fund accounting to ensure and demonstrate compliance with finance-related requirements. The Agency's Governmental Funds report combined fund balances of \$326,267.

**Governmental Fund Highlights**

- The number of dollars coming from the State of Illinois to the Regional Office of Education #26 for staff development programs has continued to decrease, impacting the number of programs that can be offered.
- The timeliness of payments from the State of Illinois to the Regional Office of Education #26 was deplorable as it was extremely late. This resulted in serious cash flow issues.
- The state aid accrued to the Regional Office of Education Safe School/Alternative School Programs has diminished due to decreases in enrollment.
- County support for the Regional Office of Education #26 will increase to \$90,440 for the county fiscal year, which runs from December 2010 through November, 2011. The previous year's support from the county totaled \$88,636.

**HANCOCK/MCDONOUGH REGIONAL OFFICE OF EDUCATION #26**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**June 30, 2010**

**Budgetary Highlights**

The Office annually adopts a budget on a basis consistent with U.S. generally accepted accounting principles when required by the granting agency. The Illinois State Board of Education reviews the proposed budget and either grants approval or returns it without approval with comments. Any unapproved budget must be resubmitted to the Illinois State Board of Education for final approval. The budget may be amended during the year utilizing procedures prescribed by the Illinois State Board of Education. Schedules showing the budget amounts compared to the Office's actual financial activity are included in supplementary information of this report.

**Capital Assets**

The value of capital assets decreased during FY 2010 due to the depreciation of capital assets.

**Economic Factors and Next Year's Budget**

At the time these financial statements were prepared and audited, the Regional Office of Education #26 was aware of several existing circumstances that could affect its financial condition in the future:

- With the State of Illinois in the midst of an unprecedented financial crisis, the status of grant funding for the upcoming fiscal year is bleak at best. We are anticipating drastic cuts for many of our programs or the elimination of them.
- Many programs were suspended for a six month period in FY11 due to cash flow issues which can solely be attributed to the extremely late payments from the State of Illinois.
- The County Boards of Hancock and McDonough Counties have increased their funding slightly to our office.
- The Child and Family Connections # 13 Grant anticipates a decrease in funding which may require layoffs in that program.
- The Regional Office of Education is required to maintain a high level of liability insurance, which increases in cost yearly.
- As costs for consumers rise (energy, maintenance, etc.), there will be increasing demands for employees to have raises that match or exceed past practices. These will be difficult to honor as both counties encompassed by Regional Office of Education #26 are burdened with considerable financial challenges.

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Introduction

The accounting policies of Hancock/McDonough Regional Office of Education #26 (ROE) substantially comply with the rules prescribed by the Illinois State Board of Education (ISBE). These accounting policies conform to Generally Accepted Accounting Principles as prescribed by the Governmental Accounting Standards Board (GASB).

Reporting Entity

Hancock/McDonough Regional Office of Education #26 was created by Illinois Public Act 88-89, as amended. The ROE operates under the School Code (Articles 3 and 3A of *Illinois Compiled Statutes*, Chapter 105). The ROE encompasses Hancock and McDonough Counties. The voters of Hancock and McDonough Counties elect the Regional Superintendent of Schools. The Regional Superintendent of Schools (Superintendent) serves as chief administrative officer of the ROE and is elected pursuant to Article 3, *Illinois Compiled Statutes*, Chapter 105.

The Regional Superintendent is charged with responsibility for township fund lands, registration of the names of applicants for scholarships to State controlled universities; examinations and related duties; inspection of public schools; direction of teachers and school officers; to serve as the official advisor and assistant to school officers and teachers; to conduct teachers institutes as well as to aid and encourage the formation of other teacher meetings and assist in their management; evaluate the schools in the region; examine evidence of indebtedness; file and keep the returns of elections required to be returned to the Regional Superintendent's office; and file and keep the reports and statements returned by school treasurers and trustees.

The Regional Superintendent is also charged with the responsibilities of conducting a special census, when required; providing notice of any monies distributed to treasurers, board presidents, clerks and secretaries of the school districts on or before each September 30; maintenance of a map and numbering of the Regional Office of Education #26's districts; providing township treasurers with a list of district treasurers; to inspect and approve building plans which comply with State law; to perform and report on annual building inspections; investigate bus drivers for valid bus driver permits and take related action as may be required; to maintain a list of unfilled teaching positions and to carry out other related duties required by law.

The Regional Superintendent is responsible for inspection and approval or rejection of school treasurers' bonds. The Regional Superintendent is also required to provide the State Board of Education with an affidavit showing that the treasurers of school districts under his control are properly bonded.

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Reporting Entity - continued

The Regional Superintendent is also responsible for apportionment and payment of funds received from the State for the districts in the region, or see that no payments are made unless the treasurer has filed or renewed appropriate bonds and that the district has certified publication of the annual financial report. The Regional Superintendent is required to provide opinions and advice related to controversies under school law.

For the period ended June 30, 2010, the Regional Office of Education #26 applied for, received, and administered numerous State and federal programs and grants in assistance of the educational activities of the school districts in the region. Such activities are reported as a single major special revenue fund (Education Fund).

The ROE's financial statements include all funds of the ROE.

These are the only activities considered to be part of (controlled by or dependent on) the ROE, as determined by the application of the criteria set forth in Governmental Accounting Standards Board Statement No. 14, *The Financial Reporting Entity*. The ROE has developed criteria to determine whether outside agencies with activities which benefit the citizens of the region, including joint agreements which serve pupils from numerous school districts, should be included within its financial reporting entity. The criteria include, but are not limited to, whether the ROE exercises oversight responsibility (which includes financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations, and accountability for fiscal matters), scope of public service, and special financing relationships. The blended component units described below are included in the ROE's reporting entity because of the significance of their operational or financial relationships with the ROE.

- *Western Area Purchasing Co-Op* is a joint agreement used to reduce costs to school districts by purchasing various supplies in larger quantities. School districts in West-Central Illinois place orders with the Co-Op, which accumulates the orders and purchases large quantities for distribution to the districts. The purchasing Co-Op is a discretionary activity fund.
- *Video Co-Op* is a joint agreement administered by the ROE, which maintains an inventory of videocassette tapes. The tapes and tape players are available for check-out by each of the school districts serviced by Regional Office of Education #26. The Video Co-Op is a discretionary activity fund.
- *Hancock/McDonough Alternative School and Alternative Training* – Used to account for State revenues and expenditures paid to provide an alternative education program in Hancock and McDonough Counties.
- *Gifted Co-Op Fund* – Used to account for a joint agreement for providing gifted instruction and coordination to school districts within ROE #26's region.

Government-wide and Fund Financial Statements

Furthermore, the ROE does not consider itself to be a component unit of any other entity.

The government-wide financial statements (i.e., the Statement of Net Assets and the Statement of Activities) report information on all of the non-fiduciary activities of the primary government. The effect of interfund activity has been removed from these statements. Governmental activities are supported by intergovernmental revenues and are reported separate from business-type activities, which rely to a significant extent on fees and charges for support.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual funds are reported as separate columns in the fund financial statements. Nonmajor funds are aggregated and reported in a single column.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay current liabilities. The ROE considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. Revenues received more than 60 days after the end of the current period are deferred in the governmental fund financial statements but are recognized as current revenues in the in the government-wide financial statements.

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Measurement Focus, Basis of Accounting, and Financial Statement Presentation - Continued

Revenues from local sources consist primarily of fees charged to school districts for services rendered by the ROE. Miscellaneous revenues are recorded when received in cash because they are generally not measurable until actually received. Grant funds from the State of Illinois are considered to be earned to the extent of expenditures made under the provisions of the grant. Investment earnings are recorded as earned since they are measurable and available.

The proprietary fund type is accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and liabilities associated with the operation of this fund are included on the Statement of Net Assets. Proprietary fund type operating statements present increases (e.g., revenues) and decreases (e.g., expenses) in net total assets. The accrual basis of accounting is utilized by the proprietary fund type. Under this basis of accounting, revenues are recognized when earned and expenses are recognized when the related liability is incurred.

Under the provision of GASB Statement No. 20, *Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities That Use Proprietary Fund Accounting*, the ROE applies all GASB pronouncements and has elected to apply only the pronouncements issued on or before November 30, 1989 for the following: Statements and Interpretations of the Financial Accounting Standards Board (FASB), Accounting Principles Board (APB) Opinions, and Accounting Research Bulletins (ARBs) of the Committee on Accounting Procedure.

The ROE reports the following major governmental funds:

*General Fund* - The General Fund is used to account for resources traditionally associated with government which are not required, legally or by sound financial management, to be accounted for in another fund. The ROE's General Fund accounts include the following:

- *County Funds* – Used to account for funds provided by the County Boards of Hancock and McDonough Counties for general office operation and maintenance.
- *Interest Fund* – Used to account for interest earned on the Distributive Fund for the mutual benefit of each school district in Hancock and McDonough Counties.
- *Regional Programs Funds* – Accounts for the cost of operating certain programs not paid for through special revenues or County funds and for interest earned on the Distributive Fund.
- *Office Administration Fund* – Accounts for indirect costs of operating programs.
- *Directory Fund* – Funded by contributions from local school districts to prepare an ROE directory.

*Institute Fund* – Used to account for examination, registration and renewal fees and to defray expenses incidental to teacher's institutes, workshops and professional meetings.

*Education Fund* – The Education Fund includes proceeds from specific revenue sources (generally all State and federal grants except Supervisory Expense and ROE/ISC Operations) that are legally restricted to expenditures for specified purposes. The ROE's Education Fund accounts include the following:

- *Early Childhood Grants* – Used to account for State grant proceeds for the early childhood education block grants.
- *Even Start*-Used to account for an educational opportunity program
- *Workforce Investment* – Used to account for coordination of optional education and vocational programs.
- *Novel* – Used to account for local fees associated with the ROE's Novel project.
- *Homeless Donation* – Used to account for donations given to assist the McKinney Education For Homeless Grant.
- *Child and Family Connections* – Used to account for a contractual agreement with the Illinois Department of Human Services to provide a caseworker for the purpose of monitoring teen parents receiving Aid to Dependent Children.
- *Hearing/Vision Screening* – Used to account for a hearing screenings program funded through the Illinois Department of Public Aid.
- *United Way* – Used to account for funding from local United Way for child birth classes and materials.
- *Pioneer Grant* – Used to promote mathematics and science in the Macomb Area.
- *Truants Alternative Optional Education* – Used to account for the cost of providing tutoring services and to encourage students to stay in school.
- *Regional Safe Schools* – Used to account for an alternative schools program of centralized instructional programs for students with specialized needs.
- *Title I - Reading First Part B SEA Funds*-Used to account for a program supporting reading initiatives.
- *Title IV – Safe and Drug Free Formula* – Used to account for a regional, multi-district program on drug and alcohol abuser education and prevention for students throughout all grade levels (Pre-K thru 12).
- *McKinney Education for Homeless Children* – Used to account for the McKinney Education for Homeless Grant, a program to facilitate the enrollment, attendance and success of homeless youths in school.
- *Hancock/McDonough Alternative Schools* – Used to account for State revenues and expenditures paid to provide an alternative education program in Hancock and McDonough Counties.
- *ROE Technology Maintenance* – Used to account for revenues and expenditures of the ISBE Technology Maintenance grant program.
- *Family Literacy*-Used to account for assistance provided to reading programs.
- *Regional System Provider/Federal System* – Used to account for State revenues to support a regionalized system of support to assist schools in academic difficulty.

- *Truants Alternative Optional Education Program (TAOEP) Training* – Used to account for State grant proceeds expended to train individuals in Truant Alternative Education.
- *Teen Court* – Used to account for Department of Human Services funding of a project designed to help teens better understand the court system in which teens act as the jury in certain legal cases.
- *Gifted Co-Op* – Used to account for a joint agreement for providing gifted instruction and coordination to school districts within ROE #26's region.
- *Teaching American History Grant* – Used to account for federal grant proceeds received in the ROE's project to conduct nationally significant programs to improve the quality of education, assist all students to meet challenging State content standards, and contribute to the achievement of elementary and secondary students.
- *Adult Learning Resource Center* – Used to account for the ROE's subcontract with Schaumburg CUSD #54's McKinney Education for Homeless Grant.
- *Teen Parent Services* – Used to account for Department of Human Services funding for various programs for teen parents.

Additionally, the ROE reports the following fund types:

Governmental

Special Revenue Funds - Special Revenue Funds are used to account for the collection and disbursement of earmarked monies. The ROE's nonmajor Special Revenue Funds include the following:

- *General Education Development (GED) Fund* – Used to account for fees and expenditures incidental to administering the high school equivalency testing program.
- *Bus Driver Training* – Used to account for fees and expenditures incidental to conducting courses of instruction for school bus drivers pursuant to the standards established by the Illinois Secretary of State.
- *Supervisory Fund* – Used to account for travel and other expenditures necessary to perform the duty of supervising the school districts in the region.

Proprietary

Proprietary funds account for activities whose costs are funded by fees and charges. These fees and charges are paid by external users for goods or services. The ROE utilizes the following proprietary fund:

- *Western Area Purchasing Co-Op* is a joint agreement used to reduce costs to school districts by purchasing various supplies in larger quantities. School districts in West-Central Illinois place orders with the Co-Op, which accumulates the orders and purchases large quantities for distribution to the districts. As noted previously, the purchasing Co-Op is a discretionary activity fund.

Additionally, the ROE reports the following nonmajor Proprietary Funds:

- *Video Co-Op* is a joint agreement administered by the ROE, which maintains an inventory of videocassette tapes. The tapes and tape players are available for check-out by each of the school districts serviced by Regional Office of Education #26. As noted previously, the VIDEO Co-Op is a discretionary activity fund.
- *Workshop Fund* is used to account for all activity for workshops managed by the ROE.

Fiduciary

Agency Funds – Fiduciary funds account for assets held by the ROE in a trustee or agency capacity. Agency funds are custodial in nature and do not involve measurement of results of operations. The ROE utilizes the following agency funds:

- *Distributive Fund* – The resources in this fund are received by and passed through the ROE to their owners. Entities whose resources are received by and passed through the distributive fund include the Western Area Career System, West Central Illinois Special Ed, and Regional Office of Education #26.
- *State Superintendent Fund* – Accounts for funds received from people applying for teaching certificates. The funds are received by the ROE which, in turn, sends them to the State Superintendent of Education on the individual's behalf. Since the State Superintendent of Education does not accept personal checks from the individuals, the ROE accepts their checks and then remits a check to the State on their behalf.
- *Regional Board of School Trustees Fund* – Accounts for the marketing and disposal of school properties belonging to local education agencies and for expenses related to detachment petitions.
- *Area III Superintendents Fund* – Accounts for all the Area III regional superintendents. Membership fees are used to provide meetings and seminars for disseminating current information on administration issues.
- *Hancock County Principal Fund* – Accounts for all the Hancock County principals. Fees are used to provide meetings and seminars for disseminating current information on administration issues.

Budgetary Data

The grant budgets are submitted to grantor agencies for approval and funding; however, no legal budget is required or adopted. A funding agreement is entered into upon approval of the budget by the grantor. Any subsequent budget revisions must be approved by the grantor. The following accounts prepare budgets:

Early Childhood Block Grant	McKinney Education for Homeless
Early Childhood Grant	Children
Even Start	ARRA McKinney Education for
Truants Alternative Optional Education	Homeless Children
Regional Safe Schools	Truants Alternative Optional Education
Title I – Reading First Part B SEA Funds	Program Training
Gifted Co-op	Teaching American History Grant

Budgets for the other funds of the ROE are not legally required and have not been prepared. Accordingly, no actual to budget comparison is included in the basic financial statements. The actual to budget comparisons are prepared on the modified accrual basis of accounting. The ROE is required to report, in its financial statements, payments made by the State of Illinois to the Teachers' Retirement System. These “on-behalf” payments of \$116,783, which were not required to be budgeted, are recorded in the Education Fund. These payments were recorded as both revenues and expenditures in accordance with GASB Statement No. 24, *Accounting and Financial Reporting for Certain Grants and Other Financial Assistance*.

Cash and Cash Equivalents

Cash consists of demand deposits. For purposes of the Statement of Cash Flows, the ROE considers highly liquid investments (including restricted assets) with an original maturity of three months or less when purchased to be cash equivalents.

Inventories

Inventories are carried at the lower of cost or market, cost being determined on the first-in, first-out (FIFO) method.

Due From Other Governments

Due from other governmental units and agencies is reported at gross with no allowance for uncollectibles since management feels the amount of any uncollectible accounts is immaterial.

Capital Assets

Capital assets, which include buildings, software, and furniture and equipment, are reported in the applicable governmental or business-type activities column in the government-wide financial statements. General fixed assets are not capitalized in the funds used to acquire or construct them. Instead, capital acquisition and construction are reflected as expenditures in governmental funds. All purchased fixed assets are valued at cost where historical records are available and at an estimated historical cost where no historical records exist. Donated fixed assets are valued at their estimated fair market value on the date received. The ROE records all capital items, which are individually greater than \$500, with a useful life of greater than one year, as fixed assets.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Improvements are capitalized and depreciated over the remaining useful lives of the related fixed assets, as applicable.

Depreciation is computed using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Software	3
Furniture and equipment	5
Buildings	40

Compensated Absences

Sick leave accrues to full-time, permanent employees and part-time employees who work at least 850 hours per year to specified maximums. At resignation, layoff or retirement, unused sick leave may be applied to IMRF pension service credit, however there is no compensation to the employee upon separation of service. Full-time, permanent employees are granted vacation benefits in varying amounts to specified maximums depending on tenure with the ROE.

Fund Equity

In the government-wide financial statements fund equity is displayed in three components:

Unrestricted net assets – All other net assets which do not meet the definition of “restricted” or “invested in capital assets, net of related debt.”

Investment in capital assets, net of related debt – Consists of capital assets, net of accumulated depreciation.

Restricted for teacher professional development – Teacher registration fees are to be used to defray expenses connected with improving the technology necessary for the efficient processing of certificates as well as any expenses incidental to teacher institutes, workshops, or meetings of a professional nature that are designed to promote the professional growth of teachers. All funds generated remain restricted until expended only on these activities.

In the fund financial statements, governmental funds report reservations of fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Designated fund balances represent tentative plans for future use of financial resources that are subject to change.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenditures, gains, losses, and other changes in fund balance during the reporting period. Actual results could differ from those estimates.

2. USE OF FUNDING SOURCES

Under the terms of grant agreements, the ROE funds certain programs by a combination of specific cost-reimbursement grants and general revenues. Thus, when program expenses are incurred, there are both restricted and unrestricted resources available to finance the program. It is the policy of the ROE to first apply cost-reimbursement grant resources to such programs and then general revenues.

3. DEPOSITS AND INVESTMENTS

The *Illinois Compiled Statutes* authorize the ROE to invest in U.S. Government, State of Illinois, and municipal securities; certificates of deposit or time savings deposits insured by the FDIC; mortgage notes, bonds, or debentures issued by the Federal Housing Administration; bonds and other obligations of the Federal National Mortgage Association; commercial paper rated within the three highest classifications by at least two standard rating services; credit union shares; and the Illinois Funds.

NOTES TO THE FINANCIAL STATEMENTS

## 3. DEPOSITS AND INVESTMENTS - Continued

Bank Deposits

At June 30, 2010, the government-wide and agency fund's carrying amounts of the ROE's various bank deposits totaled \$413,499 and \$13,677, respectively. The bank balances totaled \$725,921. Included in the bank balance is \$7,329 invested in the Illinois Funds. The ROE has obtained sufficient collateral for any excess cash on deposit.

*Custodial Credit Risk* - Custodial credit risk for deposits with financial institutions is the risk that in the event of bank failure, the ROE's deposits may not be returned to it. The ROE does not have a formal investment policy to guard against custodial credit risk for deposits with financial institutions.

Investments

The ROE does not have a formal investment policy but requires that funds be invested solely in investments authorized by the Public Funds Investment Act, 30 ILCS 235/2.

*Custodial Credit Risk* - Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to the investment, the ROE will not be able to recover the value of its investments that are in possession of an outside party.

*Interest Rate Risk* - The ROE invests solely in investments authorized by the Public Funds Investment Act, 30 ILCS 235/2.

*Credit Risk* - The Illinois Funds (the Fund) is an external investment pool authorized by the Illinois General Assembly. The Fund is exempt from registering with the Securities and Exchange Commission. The Fund is rated by Standard and Poors upon the request of the Fund's management. The most recent money market rating issued by Standard and Poors was AAAM. The fair value of the position in the Illinois Funds Investment Pool is the same as the value of the pool shares. Illinois State Statute provides the Illinois State Treasurer with regulatory oversight over the Pool.

## 4. CAPITAL ASSETS

Governmental Activities

Capital asset activity for the year ended June 30, 2010 is as follows:

	Balance July 1, 2009	Additions	Deletions	Balance June 30, 2010

## 6. EMPLOYEE'S RETIREMENT PLANS

A. Illinois Municipal Retirement Fund

**Plan Description.** The ROE's defined benefit pension plan for regular employees provides retirement and disability benefits, post retirement increases, and death benefits to plan members and beneficiaries. The ROE plan is affiliated with the Illinois Municipal Retirement Fund (IMRF), an agent multiple-employer plan. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available report that includes financial statements and required supplementary information. That report may be obtained on-line at [www.imrf.org](http://www.imrf.org).

NOTES TO THE FINANCIAL STATEMENTS

6. EMPLOYEE’S RETIREMENT PLANS – Continued

A. Illinois Municipal Retirement Fund - continued

**Funding Policy.** As set by statute, the ROE regular plan members are required to contribute 4.50 percent of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The employer contribution rate for calendar year 2009 was 9.13 percent of annual covered payroll. The ROE also contributes for disability benefits, death benefits and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Trustees, while the supplemental retirement benefits rate is set by statute.

**Annual Pension Cost.** For fiscal year ending December 31, 2009, the ROE’s annual pension cost of \$75,131 for the regular plan was equal to the ROE’s required and actual contributions.

Three-Year Trend Information for the Regular Plan

Fiscal Year <u>Ending</u>	Annual Pension Cost (APC)	Percentage of APC <u>Contributed</u>	Net Pension <u>Obligation</u>
12/31/09	\$ 75,131	100%	\$ -
12/31/08	72,618	100%	-
12/31/07	54,284	100%	-

The required contribution was determined as part of the December 31, 2007 actuarial valuation using the entry age normal actuarial cost method. The actuarial assumptions at December 31, 2007 included (a) 7.50% investment rate of return (net of administrative and direct investment expenses), (b) projected salary increases of 4.0% a year, attributable to inflation, (c) additional projected salary increases ranging from 0.4% to 10.0% per year depending on age and service, attributable to seniority/merit, and (d) post-retirement benefit increases of 3% annually. The actuarial value of regular plan assets was determined using techniques that spread the effects of short-term volatility in the market value of investments over a five-year period with a 15% corridor between the actuarial and market value of assets. The regular plan’s unfunded actuarial accrued liability is being amortized as a level percentage of projected payroll on a closed basis. The remaining amortization period at December 31, 2007 was 5 years.

**Funded Status and Funding Progress.** As of December 31, 2009, the most recent actuarial valuation date, the regular plan was 84.05 percent funded. The actuarial accrued liability for benefits was \$1,424,434 and the actuarial value of assets was \$1,197,214, resulting in an underfunded actuarial accrued liability (UAAL) of \$227,220. The covered payroll (annual payroll of active employees covered by the plan) was \$822,901 and the ratio of the UAAL to the covered payroll was 28.0 percent.

NOTES TO THE FINANCIAL STATEMENTS

6. EMPLOYEE'S RETIREMENT PLANS – Continued

**Funded Status and Funding Progress - continued.** In conjunction with the December 2009 actuarial valuation the market value of assets was determined using techniques that spread the effect of short-term volatility in the market value of investments over a five year period with a 20% corridor between the actuarial and market value of assets. In 2010, the unfunded actuarial accrued liability is being amortized on a level percentage of projected payroll on an open ten year basis.

The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

B. Illinois Teachers' Retirement System (TRS)

The ROE participates in the Teachers' Retirement System of the State of Illinois (TRS). TRS is a cost-sharing multiple-employer defined benefit pension plan that was created by the Illinois legislature for the benefit of Illinois public school teachers employed outside the city of Chicago.

The Illinois Pension Code outlines the benefit provisions of TRS, and amendments to the plan can be made only by legislative action with the Governor's approval. The State of Illinois maintains primary responsibility for the funding of the plan, but contributions from participating employers and members are also required. The TRS Board of Trustees is responsible for the system's administration.

TRS members include all active nonannuitants who are employed by a TRS-covered employer to provide services for which teacher certification is required. The active member contribution rate through June 30, 2010 was 9.4 percent of creditable earnings. These contributions, which may be paid on behalf of employees by the employer, are submitted to TRS by the employer. The active member contribution rate was also 9.4 percent for the years ended June 30, 2009 and 2008.

The State of Illinois makes contributions directly to TRS on behalf of the ROE's TRS-covered employees.

- On Behalf Contributions

The State of Illinois makes employer pension contributions on behalf of the ROE. For the year ended June 30, 2010, State of Illinois contributions were based on 23.38 percent of creditable earnings not paid from federal funds, and the ROE recognized revenue and expenditures of \$116,783 in pension contributions that the State of Illinois paid directly to TRS. For the years ended June 30, 2009 and June 30, 2008, the State of Illinois contribution rates as percentages of creditable earnings not paid from federal funds were 17.08 percent (\$83,152) and 13.11 percent (\$62,670), respectively.

NOTES TO THE FINANCIAL STATEMENTS

6. EMPLOYEE'S RETIREMENT PLANS – Continued

B. Illinois Teachers' Retirement System (TRS) - continued

The ROE makes other types of employer contributions directly to TRS.

- 2.2 Formula Contributions

Employers contributed 0.58 percent of creditable earnings for the 2.2 formula change. This rate is specified by statute. Contributions for the year ending June 30, 2010 were \$2,897. Contributions for the years ended June 30, 2009 and June 30, 2008, were \$2,824 and \$2,773, respectively.

- Federal and Special Trust Fund Contributions

When TRS members are paid from federal and special trust funds administered by the ROE, there is a statutory requirement for the ROE to pay an employer pension contribution from those funds. Under a policy adopted by the TRS Board of Trustees that was first effective in the fiscal year ended June 30, 2006, employer contributions for employees paid from federal and special trust funds will be the same as the state contribution rate to TRS.

For the year ended June 30, 2010, the employer pension contribution was 23.38 percent of salaries paid from federal and special trust funds. For the year ended June 30, 2009 and 2008, the employer pension contribution was 17.08 and 13.11 percent of salaries paid from federal and special trust funds, respectively. For the year ended June 30, 2010, salaries totaling \$63,762 were paid from federal and special trust funds that required employer contributions of \$14,907. For the years ended June 30, 2009 and June 30, 2008, required ROE contributions were \$13,018 and \$6,415, respectively.

- Early Retirement Option

The ROE is also required to make one-time employer contributions to TRS for members retiring under the Early Retirement Option (ERO). The payments vary depending on the age and salary of the member.

Public Act 94-0004 made changes in the ERO program that were in effect for all ERO retirements in fiscal years 2008 through 2010. The act increased member and employer contributions and eliminated the waiver of member and employer ERO contributions that had been in effect for members with 34 years of service.

Under current ERO, the maximum employer contribution is 117.5 percent and applies when the member is age 55 at retirement.

For the year ended June 30, 2010, the ROE paid \$-0- to TRS for employer contributions under the Pipeline ERO and Modified ERO programs. For the years ended June 30, 2009 and June 30, 2008, the ROE made no payments in employer ERO contributions.

NOTES TO THE FINANCIAL STATEMENTS

6. EMPLOYEE'S RETIREMENT PLANS – Continued

B. Illinois Teachers' Retirement System (TRS) – Continued

- Salary increases over 6 percent and excess sick leave.

Public Act 94-0004 added two new employer contributions to TRS.

If an employer grants salary increases over 6 percent and those salaries are used to calculate a retiree's final average salary, the employer makes a contribution to TRS. The contribution will cover the difference in actuarial cost of the benefit based on actual salary increases and the benefit based on salary increases up to 6 percent. For the years ended June 30, 2010, 2009, and 2008, the ROE paid no TRS for employer contributions due on salary increases in excess of 6 percent, respectively.

If an employer grants sick leave days in excess of the normal annual allotment and those days are used as TRS service credit, the employer makes a contribution to TRS. The contribution is based on the number of excess sick leave days used as service credit, the highest salary used to calculate final average salary, and the TRS total normal cost rate (18.55 percent of salary during the year ended June 30, 2010).

For the years ended June 30, 2010, 2009 and 2008, there were no sick leave days granted in excess of the normal annual allotment.

TRS financial information, an explanation of TRS' benefits, and descriptions of member, employer and State funding requirements can be found in the TRS *Comprehensive Annual Financial Report* for the year ended June 30, 2009. The report for the year ended June 30, 2010 is expected to be available in late 2010.

The reports may be obtained by writing to the Teachers' Retirement System of the State of Illinois, P.O. Box 19253, 2815 West Washington Street, Springfield, IL 62794-9253. The most current report is also available on the TRS Website at [trs.illinois.gov](http://trs.illinois.gov).

C. Teacher Health Insurance Security Fund

The ROE participates in the Teacher Health Insurance Security (THIS) Fund, a cost-sharing, multiple-employer defined benefit postemployment healthcare plan that was established by the Illinois legislature for the benefit of Illinois public school teachers employed outside the city of Chicago.

The THIS Fund provides medical, prescription, and behavioral health benefits, but does not provide vision, dental, or life insurance benefits to annuitants of TRS. Annuitants may participate in the State administered participating provider option plan or choose from several managed care options. The State Employees Group Insurance Act of 1971 (5 ILCS 375) outlines the benefit provisions of THIS Fund, and amendments to the plan can only be made by legislative action with the Governor's approval.

NOTES TO THE FINANCIAL STATEMENTS

6: EMPLOYEE'S RETIREMENT PLANS - continued

C. Teacher Health Insurance Security Fund – continued

The Illinois Department of Healthcare and Family Services (HFS) and the Illinois Department of Central Management Services (CMS) administer the plan with the cooperation of TRS. The director of HFS determines the rates and premiums for annuitants and dependent beneficiaries and establishes the cost-sharing parameters. Section 6.6 of the State Employees Group Insurance Act of 1971 requires all active contributors to the TRS who are not employees of the State to make a contribution to THIS.

The percentage of employer required contributions in the future will be determined by the director of Healthcare and Family Services and will not exceed 105 percent of the percentage of salary actually required to be paid in the previous fiscal year.

- **On behalf payments to the THIS Fund.** The State of Illinois makes employer retiree health insurance contributions on behalf of the ROE. State contributions are intended to match contributions to the THIS Fund from active members which were .84 percent of pay during the year ended June 30, 2010. State of Illinois contributions were \$4,196 and the ROE recognized revenue and expenditures of this amount during the year.

Had the Regional Office of Education #26 recognized revenue and expenditures for State contributions to match active member contributions during the years ended June 30, 2009 and June 30, 2008, under current standards, the contribution match would have been .84 percent of pay or \$4,089 and \$4,015, respectively.

- **Employer contributions to the THIS Fund.** The ROE also makes contributions to the THIS Fund. The employer THIS Fund contribution was .63 percent during the year ended June 30, 2010, June 30, 2009 and June 30, 2008. For the year ended June 30, 2010, the ROE paid \$3,147 to the THIS Fund. For the years ended June 30, 2009 and June 30, 2008, the ROE paid \$3,067 and \$3,012 to the THIS Fund, respectively, which was 100 percent of the required contribution.

The publicly available financial report of the THIS Fund may be obtained by writing to the Department of Healthcare and Family Services, 201 S. Grand Ave., Springfield, IL 62763-3838.

7. OTHER POSTEMPLOYMENT RETIREMENT BENEFITS

The Regional Office of Education #26 allows employees, who retire through the Regional Office of Education #26's plan disclosed in Note 6, the option to continue in the Regional Office of Education #26's health insurance plan as required by the Illinois Compiled Statutes, but the retiree pays the full premium for the health insurance. This has not created an implicit subsidy as defined by GASB Statement No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other than Pensions, as the Regional Office of Education #26's health plan is considered a community rated plan. In addition, the Regional Office of Education #26 has no explicit subsidy as defined in GASB Statement No. 45.

NOTES TO THE FINANCIAL STATEMENTS

11. RISK MANAGEMENT

The ROE is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. Insurance to cover these risks is provided through Hancock and McDonough Counties. Claims from these risks have not exceeded commercial insurance coverage during the current fiscal year and the previous two fiscal years.

12. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Generally accepted accounting principles require disclosure of certain information concerning individual funds (which are presented only in combination on the financial statements). Funds having deficit fund balances and funds which over-expended appropriations during the year are required to be disclosed.

The following funds had a deficit fund balance at June 30, 2010:

Office Administration	\$ 917
Early Childhood Block Grant	64,292
Early Childhood Grant	33,709
Workforce Investment	10,820
Truants Alternative Optional Education	9,440
Regional Safe Schools	23,418
Teen Court	11,891

13. ON-BEHALF SALARIES AND BENEFITS PAYMENTS

As previously noted, the State of Illinois makes employer pension contributions on behalf of the ROE. The salaries, benefits, and TRS contributions of the Regional Superintendent and the Assistant Superintendent are paid by the State of Illinois. The amounts paid by the State of Illinois are as follows:

Regional Superintendent salary	\$ 96,435
Regional Superintendent benefits (Includes State paid insurance)	34,182
Assistant Regional Superintendent salary	86,791
Assistant Regional Superintendent benefits (Includes State paid insurance)	<u>31,364</u>
Total	<u>\$248,772</u>

Salary and benefit data for the Regional Superintendent and Assistant Regional Superintendent was calculated based on data provided by the Illinois State Board of Education.

These awards are included in the financial statements of the General Revenue Fund as on-behalf payments. In addition to the \$248,772 above, Special Revenue Fund on-behalf payments include \$116,783 for TRS contributions (all of which is accounted for in the Education Fund) and \$4,196 for THIS contributions for other employees for a total of \$369,751 for the year ended June 30, 2010.

NOTES TO THE FINANCIAL STATEMENTS

14. LEASE OBLIGATIONS

The ROE leases classroom and office space from various locations. Future minimum rental payments under non-cancellable operating leases are as follows:

2011	\$71,793
2012	\$33,185
2013	\$19,683
2014	\$ 6,986

Rent expense for the year ended June 30, 2010 was \$68,547.

15. NEW ACCOUNTING PRONOUNCEMENTS

Effective June 30, 2010, the ROE adopted Governmental Accounting Standards Board (GASB) Statement No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions; GASB Statement No. 51, Accounting and Reporting for Intangible Assets; GASB Statement No. 53, Accounting and Reporting for Derivative Instruments; and GASB Statement No. 58, Accounting and Reporting for Chapter 9 Bankruptcies.

There was no impact on the ROE's financial statements as a result of adopting these statements.

See Note 7 for the impact of GASB No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions.

16. TRANSFERS

The Hancock/McDonough Alternative Schools (\$79,000) and Regional System Provider/Federal System (\$21,000) transferred in money from the Regional Programs Fund (\$100,000).

17. OPERATING LINE OF CREDIT

The ROE obtained an operating line of credit on May 26, 2010, secured by substantially all of the ROE's assets. The line is \$300,000 of which \$110,000 had been advanced at June 30, 2010. This line of credit has an interest rate of 6.00 percent and will mature on January 31, 2011. Interest will be due at maturity.

HANCOCK/MCDONOUGH REGIONAL OFFICE OF EDUCATION #26  
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
For the Year Ended June 30, 2010

1. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of Hancock/McDonough Regional Office of Education #26 and is presented on the modified accrual basis of accounting. The information in this schedule is presented in conformance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

2. DESCRIPTIONS OF FEDERAL PROGRAMS AUDITED AS A MAJOR PROGRAM

The major federal programs of the Hancock/McDonough Regional Office of Education #26 are the Teaching American History (CFDA # 84.215X) and the McKinney Education for Homeless Children (CFDA # 84.196A and 84.387A). These funds are used to assist in providing instruction in American History and to ensure that homeless children and youth have equal access to the same free, appropriate public education as other children, respectively.

3. SUBRECIPIENTS

Of the expenditures in this schedule, the Hancock/McDonough Regional Office of Education #26 provided awards to subrecipients in the amount of \$180,677 under the McKinney Education for Homeless Children program and \$13,341 under the Secondary Transitional Experience Program.

4. NON-MONETARY FEDERAL AWARDS

There are no non-monetary federal awards in the current year.

5. INSURANCE

The Hancock/McDonough Regional Office of Education #26 did not receive any Federal awards involving insurance with continuing compliance requirements.

6. LOANS AND LOAN GUARANTEES

The Hancock/McDonough Regional Office of Education #26 did not receive any Federal awards involving loans or loan guarantees with continuing compliance requirements.
