FINDINGS, CONCLUSIONS, AND RECOMMENDATIONS

INADEQUATE CONTROLS OVER SUBSCRIPTION-BASED INFORMATION TECHNOLOGY AGREEMENTS

Controls over recording SBITA's need improvement

The Illinois Housing Development Authority (Authority) did not have adequate internal controls in place to ensure their accounting over Subscription-Based Information Technology Agreements (SBITA) was properly recorded for financial reporting purposes.

A reclassification adjustment of \$839,913 was made to correct the financial statements

During our review of the Authority's SBITA calculations, we observed the Authority did not accurately record their short-term and long-term liabilities related to SBITA contracts. Specifically, the prior year's short-term SBITA liability was not correctly reversed in the current fiscal year. This resulted in an overstatement of the short-term SBITA liability and an understatement of the long-term SBITA liability by \$839,913. A reclassification adjustment was made to correct the financial statements for the year ending June 30, 2024. (Finding 1, page 100)

We recommended the Authority perform adequate review procedures of their SBITA calculations to ensure all amounts are accurately reported at year-end.

Authority agreed with the finding
