INDEPENDENT AUDITOR'S REPORT

Honorable Frank J. Mautino
Auditor General
State of Illinois

and

Board of Directors
IMSA Fund for Advancement of Education

Report on the Audit of the Financial Statements

Opinion

As Special Assistant Auditors for the Auditor General, we have audited the accompanying financial statements of the business-type activities of the IMSA Fund for Advancement of Education (Fund), a component unit of the State of Illinois, as of and for the year ended June 30, 2024, and the related notes to the financial statements which collectively comprise the Fund's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities of the Fund as of June 30, 2024, and the changes in financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund, and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design,

implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- exercise professional judgement and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the Fund's 2023 financial statements, and our report dated October 31, 2023, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 6 - 11 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the agency officials page but does not include the basic financial statements and our auditor's report thereon. Our opinion on the basic financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or if the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 4, 2024, on our consideration of the Fund's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Fund's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Fund's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Year Ended June 30, 2024

Fiscal year ended June 30, 2024 ended with an increase in net position of \$6,533,806. The increase was primarily the direct result of a single pledge in the amount of \$5 million toward the \$15 million capital campaign officially launching in Fiscal Year 2025 combined with investment portfolio unrealized gains.

Pledges Receivable

Pledges receivable are voluntary non-exchange transactions. Revenue is recognized by the Fund in the year when all of the eligibility requirements are met in accordance with Governmental Accounting Standards Board Statement No. 33.

Contribution Advances

Contribution Advances represent grants identified by the Fund and the Illinois Mathematics and Science Academy (Academy) that may be spent over consecutive fiscal years. Grants that have an award date ending on June 30th (the last day of the fiscal year) and remain unspent are returned to the Fund by the Academy. Grant refunds are then placed back into the respective account to be used at a later date.

Net Position

Net position is divided into three major categories. Unrestricted net position includes amounts not subject to donor-imposed stipulations and includes all of the activities of the Fund, except for those amounts that are restricted by external donors. Restricted, expendable net position includes amounts that are subject to donor-imposed stipulations. These stipulations limit the use of the resources for specific purposes. Restricted, nonexpendable net position is to be held and invested in perpetuity with earnings thereof to be used for purposes as determined by donors making the contribution.

For the Year Ended June 30, 2024

Operating Revenues

Total Operating Revenues of the Fund increased as a result of a pledge from an alumnus in the amount of \$5,000,000 for the Capital Construction Campaign.

Operating Expenses

Academy Support

The Fund provided \$497,949 and \$628,168 in Fiscal Years 2024 and 2023, respectively, in direct support to the Academy.

Academy Support (program services) for those activities that the reporting organization was created to conduct and which, along with any activities commenced subsequently, form the basis of the organization's current tax exempt status. They may be self-funded or funded out of contributions, accumulated income, investment income, or any other source. Fundraising expenses are not reported as program-related expenses even though one of the functions of the organization is to solicit contributions for the benefit of another organization.

Management and General

Management and general expenses decreased from \$95,656 in Fiscal Year 2023 to \$87,318 in Fiscal Year 2024. The decrease was primarily related to equipment and licensing fees.

Management and General Expenses include the salaries and expense allocations of staff and expenses incurred directly by the Fund's operations, except those provided by the Academy pursuant to the operating agreement. These include meetings of the Board of Directors; committee and staff meetings (unless held in connection with specific program services or fundraising activities); general legal services, general liability insurance, office management, auditing, personnel, and preparation, publication, and distribution of an annual report; and investment expenses.

Fundraising

Fundraising expenses include expenses incurred in soliciting contributions, gifts, grants, etc. The following activities are reported as fundraising expenses:

- A. Publicizing and conducting fund raising campaigns
- B. Soliciting bequests and grants
- C. Preparing and distributing fundraising manuals

The Fiscal Year 2024 fundraising expenses increased 40% compared to prior year. The increase in fundraising expense is mainly attributed to payments for a consultant preparing a campaign for capital improvements on campus.

MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Year Ended June 30, 2024

Economic Outlook

The Fund continues to invest in a well-diversified, balanced approach. The Fund utilizes a registered investment advisor to manage fund assets according to policy. Assets are invested in mutual fund vehicles and actually held with the Fund's broker. The portfolio is made up of a balance of U.S. Equities, Non U.S. Equities, Fixed Income and Cash.

The Fund believes the macro outlook has stabilized over the last year, while uncertainty remains with slowing economic growth, central banks actions, inflation, and geopolitical tensions. United States (US) Gross Domestic Product has held up better than many economists forecasted. Inflation in the US is moderating and moving toward the target level, supported by recent slowing in wage growth. Action by the Federal Reserve has become more dovish in the last quarter, indicating a reduction in the Fed Funds Rate in the near term along with a continued emphasis on the economic data. The Fund's Advisor expects a moderate slowdown in global growth in the remainder of 2024 and 2025 while avoiding a significant recession. Strong equity returns pushed equity valuations in to richly valued territory, particularly in the US. Rising yields have kept fixed income attractively valued compared to recent history.

We feel the diversified investment approach moderates the impact of any particular portfolio risk, while equity risk and interest rate risks remain dominant exposures. The approach seeks to balance portfolio growth with stability of returns. Assets are managed according to the time horizon, with long term assets more focused on growth and short term assets more focused on capital preservation. The Fund believes its prudent investment strategy and investment policies will continue to result in positive results over the long term.

IMSA FUND FOR ADVANCEMENT OF EDUCATION
(A Component Unit of the State of Illinois)
NOTES TO THE FINANCIAL STATEMENTS
June 30, 2024

NOTE A – ORGANIZATION

The IMSA Fund for Advancement of Education (Fund) is a nonprofit 501(c)(3) corporation established and maintained for the purposes of benefiting, performing the functions of, or carrying out certain charitable, educational, literary and scientific purposes of the Illinois Mathematics and Science Academy (Academy). The Academy was created through an Act of the State of Illinois General Assembly to offer a uniquely challenging education for students talented in the areas of mathematics, science, and technology. The Academy also functions as a laboratory for the development and testing of new techniques of mathematics, science, and humanities teaching for secondary schools throughout the State of Illinois. Providing support to and on behalf of the Academy is the Fund's primary program service. Funding for this program service is derived from contributions from various individuals, corporations, and foundations located primarily within the United States.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Fund have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), as prescribed by the Governmental Accounting Standards Board (GASB). To facilitate the understanding of the data included in the financial statements, the more significant accounting policies are summarized below.

1. Financial Reporting Entity

As defined by GAAP, the financial reporting entity consists of a primary government, as well as its component units, which are legally separate organizations for which the elected officials of the primary government are financially accountable or their exclusion of would render the financial statements misleading. Financial accountability is defined as:

- 1) Appointment of a voting majority of the component unit's board and either (a) the primary government's ability to impose its will, or (b) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government; or
- 2) Fiscal dependency on the primary government.

Based upon the required criteria, the Fund has no component units, but is a component unit of the State of Illinois financial reporting entity. The financial balances and activities included in these basic financial statements could, therefore, also be included in the State's annual comprehensive financial report.

The IMSA Fund for Advancement of Education has been notified by the Illinois Office of the Comptroller that it is not material to the financial statements of the State of Illinois and will not be included in the State of Illinois Annual Comprehensive Financial Report.

2. Basis of Accounting

For financial reporting purposes, the Fund is considered a special-purpose government engaged only in business-type activities. Accordingly, the accompanying financial statements of the Fund have been prepared on the accrual basis of accounting using the economic resources measurement focus. Under the accrual basis, revenues are recognized when earned, and expenses are recognized when a liability has been incurred.

3. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash in banks, and money market funds held in investment accounts in the name of the IMSA Fund for Advancement of Education.

4. Investments

Effective July 1, 2004, the Fund adopted GASB Statement No. 40, *Deposit and Investment Risk Disclosures*. This GASB statement provides disclosure requirements related to deposit and investment risks: credit risk, interest rate risk, and foreign currency risk. Accordingly, these disclosures have been presented in Note C – Deposits and Investments.

Investments are recorded at fair market value as determined by quoted market prices. Investments are pooled for the purposes of allocating realized gains and losses, unrealized gains and losses and ordinary income, net of investment fees, to the unallocated reserve in the restricted fund. Allocation to specific accounts is based on contractual obligations and the Fund's investment policy.

The Fund categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. The three-tier hierarchy of inputs is summarized as follows:

Level 1 – inputs are quoted prices in active markets for identical assets that are accessible at the date of measurement.

Level 2 – inputs other than quoted prices that are observable for an asset, either directly or indirectly.

Level 3 – unobservable inputs for an asset.

5. Accounts Receivable

Accounts receivable primarily consist of grant refunds due from the Academy. All accounts receivable are considered to be fully collectible and therefore an allowance for doubtful accounts is not necessary.

6. Classification of Revenues

The Fund has classified its revenues as either operating or non-operating revenues according to the following criteria:

Operating revenues generally include activities that have the characteristics of exchange transactions or that are part of the Fund's mission to raise funds for the Academy, such as gifts, contributions and other revenues generated in support of the Academy, per contractual agreement with the Academy.

Non-operating revenues include investment income and other revenue sources that are defined as non-operating revenues by GASB Statement No. 9, *Reporting Cash Flows of Proprietary and Nonexpendable Trust Funds and Governmental Entities That Use Proprietary Fund Accounting*.

7. Net Position

In the financial statements, equity is displayed in two components as follows:

Restricted – this consists of assets plus deferred outflows of resources, less liabilities, less deferred inflows of resources that are legally restricted by outside parties or by law through constitutional provisions or enabling legislation. When both restricted and unrestricted resources are available for use, generally it is the Fund's policy to use restricted resources first, then unrestricted resources when they are needed. These restricted resources are to be used for educational purposes.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Unrestricted – this consists of assets plus deferred outflows of resources, less liabilities, less deferred inflows of resources that do not meet the definition of “restricted”.

8. Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported financial statement amounts and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

9. New Accounting Pronouncements

During the year ended June 30, 2024, the Fund implemented GASB Statement No. 100, *Accounting Changes and Error Corrections* and other pronouncements. These statements did not have an impact on the Fund’s financial statements. For the year ending June 30, 2025 and thereafter, the Fund will be required to implement GASB Statement No. 101 *Compensated Absences*, GASB Statement No. 102 *Credit Risk Disclosures*, and other pronouncements. The Fund has not yet evaluated the effect of these pronouncements on the Fund’s financial statements.

10. Prior Year Information

The basic financial statements include certain prior year comparative information. Such information does not include a full comparative presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Fund’s financial statements for the year ended June 30, 2023, from which the information was derived.

Effective August 29, 1996, the Fund entered into an agreement with the Academy, which specifies the relationship between the two organizations. This agreement states that the Fund is a separate corporate entity established primarily for the purpose of benefiting, performing the functions of, and carrying out certain charitable, educational, literary and scientific purposes of the Academy, and to assist the Academy in achieving and furthering its educational, research, and service goals. The Fund has agreed to provide financial support to the Academy (both directly and indirectly) and in exchange, the Academy has agreed to provide office space, equipment and personnel to enable the Fund to accomplish its purposes.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Honorable Frank J. Mautino
Auditor General
State of Illinois

and

Board of Directors
IMSA Fund for Advancement of Education
Aurora, Illinois

As Special Assistant Auditors for the Auditor General, we have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the IMSA Fund for Advancement of Education (Fund), a component unit of the State of Illinois, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Fund's basic financial statements, and we have issued our report thereon dated November 4, 2024.

Report on Internal Control Over Financial Reporting

Management of the Fund is responsible for establishing and maintaining effective internal control over financial reporting (internal control).

In planning and performing our audit of the financial statements, we considered the Fund's internal control as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, we do not express an opinion on the effectiveness of the Fund's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the above paragraphs of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Fund's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
