**FINDINGS, CONCLUSIONS, AND
RECOMMENDATIONS**

INADEQUATE SEGREGATION OF DUTIES

Inadequate segregation of duties in area of expenditure control

The Kankakee River Valley Area Airport Authority (Authority) had inadequate segregation of duties in the area of expenditure control.

Vice Chairman had ability to write and sign checks, reconcile banks statements, and maintain all Authority records

During testing, we noted that the Authority's Vice Chairman had the ability to write and sign checks, reconcile bank statements, and maintain all Authority records. However, the Authority had not written a check since August 2004. (Finding 1, page 9) **This finding was first reported in 2008.**

Recommendation

We recommended the Authority implement adequate segregation of duties over recordkeeping, expenditure approval, and reconciliation.

Authority agreed with auditors' recommendation

The Authority agreed with the recommendation, stating that due to the Authority's lack of board members, the member remaining is scheduling a meeting with the Kankakee County Board Chairman to discuss the Authority's future. (For the previous Authority response, see Digest footnote #1.)

NONCOMPLIANCE WITH KANKAKEE RIVER VALLEY AREA AIRPORT AUTHORITY ACT

Authority failed to comply with statute

The Authority failed to comply with certain provisions of the Kankakee River Valley Area Airport Authority Act (Act). We noted the following deficiencies:

Authority did not submit report to the Governor

- The Authority did not create and submit a written statement and report to the Governor covering its activities for the preceding fiscal year by November 15th as required by statute.

Authority did not fill vacant positions

- The Authority had three vacancies requiring appointment. One vacancy required an appointment by the Will County Board and two vacancies required an appointment by the Kankakee County Board. As of 6/30/10, Will County and Kankakee County did not appoint any individuals to fill the vacant Authority member seats.

Authority members did not file bonds with the Office of the Secretary of State

- Five of Five (100%) Authority members did not file bonds in the amount of \$100,000 or file their constitutional oath of office with the Office of the Secretary of State in accordance with the Act. (Finding 2, pages 10-11) **This finding was first reported in 2005.**

Recommendation

We recommended the Authority prepare and submit a written statement and report covering its activities over the

preceding fiscal year to the Governor by November 15th of each year as required. In addition, we recommended the Authority strengthen controls to ensure the Authority obtains the constitutional oath of office and bond in the penal sum of \$100,000 for appointed members and that the oaths and bonds are filed with the Office of the Secretary of State or seek legislative remedy.

Further, due to the Authority's inactivity over the past several years and their inability to maintain eight appointed board members, we recommended the Authority either ensure members are appointed in accordance with the Act or seek legislative remedy.

Authority agreed with auditors' recommendation

The Authority agreed with the recommendation, stating that with the lack of board members and inactivity it was thought no report was necessary. The Authority further stated that there is a meeting scheduled with the Kankakee County Board Chairman to discuss the Authority's future. (For the previous Authority response, see Digest footnote #2.)

AUDITORS' OPINION

The auditors stated the financial statements of the Authority as of June 30, 2010, and for the year ended, are fairly presented in all material respects.

**STATE COMPLIANCE EXAMINATION –
ACCOUNTANT'S REPORT**

The auditors qualified their report on State Compliance for finding 10-2. Except for the noncompliance described in these findings, the auditors state the Authority complied, in all material respects, with the requirements described in the report.
