FINDINGS, CONCLUSIONS, AND RECOMMENDATIONS

DELAY OF AUDIT

The Regional Office of Education #47 did not provide completed financial statements in an auditable form by the August 31 deadline.

The Regional Office of Education #47 (ROE) did not provide completed financial statements in an auditable form by the August 31, 2023 deadline. Completed financial statements were received on July 23, 2024. The June 30, 2020 audit report was released on August 30, 2023. Additionally, the June 30, 2021 and June 30, 2022 audit reports were released on August 21, 2024.

The ROE is subject to 105 ILCS 5/2-3.17a which requires the Auditor General's office to cause an audit to be made, as of June 30th of the year, of the financial statements of all accounts, funds, and other moneys in the care, custody or control of the regional superintendent of schools of each educational service region in the State and of each educational service center established in the School Code. The audit is to be conducted in accordance with Generally Accepted Government Auditing Standards. The Regional Office of Education or Educational Service Center may utilize a cash basis, modified cash basis or generally accepted accounting principles (GAAP) basis of accounting to prepare the financial statements for audit.

In accordance with ILCS 5/2-3.17a, the Auditor General has promulgated administrative rules and regulations to govern this process. Those rules, 74 Ill. Adm. Code 420.320 (c) (2), state that for audit purposes, each regional office of education and educational service center shall make available to the Auditor General or his designee all books and records deemed necessary to make and complete the required audits. The records shall be in an auditable form by August 15 of the succeeding fiscal year. Financial reports are to be available no later than August 31 in order for the annual audit to be completed by an independent auditor selected by the Auditor General.

In addition, prudent business practices and transparency require timely preparation and completion of financial statements.

Regional Office management indicated they did not provide their books to their outside accountant in time to fully adjust and prepare their financial statements in an auditable form. (Finding 23-001, pages 15a-15b) This finding was first reported in 2018.

The auditors recommended the ROE needs to ensure compliance with 105 ILCS 5/2-3.17a and 74 Ill. Adm. Code 420.320 (c) (2) for the timely generation of financial

statements. These financial statements need to be presented to the Auditor General's independent auditors for audit by the August 31 deadline.

ROE Response: Management agrees with the finding. ROE 47 will ensure that moving forward each fiscal year the financial statements will be prepared and available by August 31st of that year starting with the FY 24 audit.

SUBRECIPIENT MONITORING

The Regional Office of Education #47 did not have adequate subrecipient monitoring documentation.

The Regional Office of Education #47 (ROE) did not have adequate subrecipient monitoring documentation. The ROE's internal controls over subrecipient monitoring do not include timely and adequate risk assessment procedures. Furthermore, the ROE did not properly monitor subrecipients in accordance with the Uniform Guidance standards. During audit testing procedures it was determined that the ROE:

McKinney Education for Homeless Children – for three (3) of three (3) subrecipients tested, the ROE:

- Did not evaluate the risk of noncompliance with Federal statues, regulations, and the terms and conditions of the subaward.
- Did not conduct subrecipient monitoring procedures during the year ended June 30, 2023.
- Did not determine whether the subrecipient met the 2 CFR 200 Subpart F Audit requirements criteria for a single audit.

COVID-19 ARP - McKinney Education for Homeless Children – for three (3) of three (3) subrecipients tested, the ROE:

- Did not identify the subaward and applicable requirements in the agreements.
- Did not evaluate the risk of noncompliance with Federal statues, regulations, and the terms and conditions of the subaward.
- Did not conduct subrecipient monitoring procedures during the year ended June 30, 2023.
- Did not determine whether the subrecipient met the 2 CFR 200 Subpart F Audit requirements criteria for a single audit.

Regional Office management indicated the ROE's internal control system does not include controls to properly detect and prevent noncompliance with subrecipient monitoring requirements in a timely manner. (Finding 23-002 pages 16a - 16c) This finding was first reported in 2017.

The auditors recommended the ROE establish and maintain effective internal control over federal awards to ensure subrecipients are properly monitored as required by 2 CFR 200.332. This includes:

- a. Identifying the subaward and applicable requirements in the agreements;
- b. Evaluating the risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward:
- Utilizing risk assessment results to develop and implement necessary subrecipient monitoring procedures for the fiscal year;
- d. Conducting subrecipient monitoring procedures; and
- e. Determining whether the subrecipient met the requirement criteria of 2 CFR 200 Subpart F Audit requirements for a single audit.

ROE Response: Effective April 2024, the Regional Office will formally identify the subaward and the applicable requirements in our agreements. We will conduct subrecipient monitoring procedures. We will determine if the subrecipient met the requirement criteria of 2 CFR 200 Subpart F Audit requirements for a single audit.
